THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 2010-328-C - ORDER NO. 2011-74  
JANUARY 25, 2011

IN RE: Joseph Wojcicki,	)	ORDER DENYING

	)	RECONSIDERATION
vs.	)

BellSouth Telecommunications, Inc.	)	
d/b/a AT&T South Carolina,	)	
Defendant/Respondent.	)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the motion of Mr. Wojcicki requesting that the Commission reconsider Order No. 2010-766, in which we found that the Commission had no jurisdiction over the subject matter complained of by Mr. Wojcicki, and that we therefore were compelled to dismiss the complaint.

In his motion, Mr. Wojcicki essentially reasserts the same matters presented in his complaint, to the effect that the installation of the AT&T VRAD system on or around his property presents a safety hazard. He does not, however, articulate any legal basis for this Commission to assert jurisdiction over the matter complained of. Section 58-9-576(C) of the South Carolina Code precludes Commission jurisdiction over this matter. Accordingly, our decision to dismiss the Complaint was legally correct, and we therefore deny Mr. Wojcicki's motion requesting that we reconsider our ruling.

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

John E. Howard, Chairman
